March 2024-25

Site Reports

Matthew Brockway, High School Principal

Site Administrator for Northern Region - Monterey Bay, North Bay, and Northern California

March madness sure is here, and I don't mean for basketball. We are in a mad dash to the finish line, hard at work planning for the end of year events. Some Assistant Principal recognition: Amy Phillips for all of her work with WASC preparation, and attention to detail with initial Summer School planning and assisting with our leadership team. Michele Rushing for tirelessly working with our Project Success students and identifying barriers for them and working to eliminate them, and assisting with our supervisor team. Jen Brunner for her consistent work with trying to find ways to identify our CHAMPS and pre-CHAMPS students, working with our PLC leads, and assisting with our supervisor team. Leeann Hernandez for offering fresh perspectives, working with our Advanced Placement teachers, and assisting with our leadership team. Ally Ireland for all of her work with events, such as festivals, prom, grad night, and graduations that she has been balancing with new AP duties. These five women are at the heart of the high school, they are adaptive, hard working, and always ready for new challenges.

Marcus White, Elementary Principal

Site Administrator for Central Region - Central Valley and Central Coast

Greetings From Elementary,

We are settled into the second semester. This is a stretch of very important learning as we prepare our students for state testing in May. Our teachers are working diligently to connect with students and make learning personal and meaningful. We have been encouraged by the academic growth we are seeing.

Heather Tamayo, Middle School Principal

Site Administrator for Southern Region - Southern California

March has arrived and, as is always the case, signals a time to shift toward even greater responsibility when juggling multiple tasks that are critical to the success of both the school and students. Our staff continues to adapt to the dual role of both a content and homeroom teacher,

making outstanding strides on the latter. We have been conducting 'think-tank' groups with our staff, in an effort to solicit their honest feedback and shape a homeroom model that allows for balance for the teacher, and a far higher level of support for the student. We are incredibly pleased with the progress that has been made, and are, without doubt, seeing the benefits of even deeper connections with our families through this model.

We have also recently concluded our iReady Mid-Year Diagnostic and hit the 95% mark in both Reading and Math. This is significant, as our proctored tests now require that the student show up to a session with their homeroom teacher and be on camera while taking the assessment. We feel as if the data that this structure provides is incredibly valuable and allows us to better support our students at their individual level of need. Additionally, we have completed our Physical Fitness Testing (PFT) for seventh grade students.

Enrollment Update

Marketing Update

We recently launched our 2025/2026 Enrollment ad campaign across Facebook, Instagram, TikTok, and Google, and we're already seeing strong performance. In March, we'll also launch our SMS communication channel, allowing us to send marketing updates via text to prospective families who have opted in through our website. Additionally, CalOPS website traffic is up 26% this month.

Our new animated sonic logo is now finalized and will be featured in all video content moving forward, further strengthening our brand identity. Another CalOPS student will be spotlighted by three local media outlets in March and April, continuing our efforts to share student success stories. We're also prioritizing content that highlights our teachers, students, and staff, as it consistently receives the highest engagement across our social and digital channels.

II. Public Comment

A. Public Comment

The Board welcomes participation by the members of the public both in person and telephonically. For anyone attending this meeting in person at one of the District Office locations, the desire to address the Board should be submitted prior to the meeting to either the Board Chair or staff member present. Individuals who wish to address the Board telephonically must contact the School Leader by phone or by email at least twenty four (24) hours before the scheduled start of the Board meeting. To view the Board Public Comment Policy, visit the CalOPS Governance Page at californiaops.org/governance.

Seeing as how we have not received any requests for comment and there are no members of the public present in our administrative offices, we will move on with our agenda at this time.

III. Oral Reports

A. Superintendent's Report

R. Savage provided an oral report on CalOPS, he informed the board that the Fall semester wrapped up well. There had been positive feedback from families. He also provided updates on sponsoring districts. He noted that CalOPS NorCal's authorizing district, Ripon USD, announced that their Superintendent Z Robeson was retiring. Lastly, he updated the board on enrollment numbers for the six charters, just above 8200 students.

B. Principals' Report (attached)

M White provided updates on the Elementary School Team. His comments were positive and thankful to his strong team in supporting their students. iReady diagnostic was also being wrapped up with positive preliminary results.

H Tamayo provided updates on the Middle School Team. She informed that iReady and interims were being rolled out, and the middle school team aimed to beat first semester participation. Curriculum was being reviewed to ensure the best fit for the school and students.

M Brockway provided updates on the High School Team. He mentioned the hard work put in at the high school level completing and auditing students' grades and transcripts.

C. Charter Impact Financial Report for CalOPS

J. Sitomer presented in place of K. Eng. He noted that next month's meeting would include the Second Interims for reports and the month after would have the planned budget for 2025-26.

He also mentioned the decreased proposed LCFF COLA at 2.4%. He noted that this would still result in an increase in ADA from the 24/25 SY.

D. Policy, Compliance, and Legislative Updates

D. Hertzler informed the board that there has been continued work on revisions to CalOPS Board Policies to ensure they align with the newly revised Board Bylaws. Also, some ongoing work to refine compliance processes with legal and auditors.

Legislative updates had not yet solidified, but will continue to be monitored. So far there had been ~700 new bills proposed, AB 84 will be one to watch as it could affect the funding for non-classroom based schools.

VI. Information Items

A. New Banking Service (attached)

L. Carter presented the board with new banking vendor options. The current bank utilized by CalOPS had not provided satisfactory communication and service, which led to a search for new options. CalOPS met with a few different banks, once a decision is made, the change would occur over several months rather than immediately.

J. Stockdale inquired about whether the change would affect employees with direct deposit. L. Carter answered that this information is housed with a separate payroll provider and should allow for a seamless transition. R. Romero thanked him for the question and noted that it will be confirmed in upcoming discussions before a decision is made.

VII. Training

A. Board of Directors Financial Training

J. Sitomer provided a training specific to Charter School Finance for the CalOPS Board of Directors. Key topics included:

1. Funding Basics
2. Critical Budget Drivers
3. Best Practices
4. Budget Process

5. Funding Determination
6. Test Case and Q & A

VIII. Closing Items

A. Adjourn Meeting

J. Stockdale made a motion to adjourn this meeting and confirm the next CalOPS Board Meeting on March 11, 2025.
A. Pulsipher seconded the motion.
The board **VOTED** to approve the motion.

Roll Call

A. Pulsipher	Aye
J. Stockdale	Aye
P. Pulsipher	Aye
D. Rivas	Aye
E. Wickliffe	Aye
M. Henjum	Aye

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 5:33 PM.

Respectfully Submitted,
D. Rivas

Proposal for California Online Public Schools
Solidifying Systemwide Leadership Capacity

Scope of Work:

WestEd will provide professional learning services to leaders in The California Online Public Schools. The focus of this scope is to enhance and sustain the leadership capacity of central office and K-12 leaders. Leaders will experience services that deepen leadership capacity and align leadership practices. The impact will be measured through the administration of the CALL Survey to school and district personnel as a pre-, interim, and post-assessment to track progress.

Lead the Learning - Build Your Leadership Playbook:

This workshop series is designed to support leaders in assessing and growing current leadership and learning strategies through the exploration of the following topics:

- Personal Leadership and Emotional Intelligence
- Relationship Management
- Building and Sustaining Teams
- Talent Management
- Coaching
- Facilitation

Session Format	Cost
Six (6), 2-hour virtual sessions	$40,000/up to 20 people

Leadership Retreat:

The Leadership retreat will provide an opportunity for leaders to reflect on the first half of the school year, continue to build relationships, and determine the focus of the upcoming semester.

WestEd will:

- Conceptualize, plan, and facilitate Leadership Retreat
- Develop meeting protocols and co-facilitate an interactive retreat
- Debrief meeting outcomes and plan next steps

Team Composition	Number of Sessions and Timeline	Cost
System leadership	Full-day, in-person retreat	$26,250/up to 15 people

Proposal for California Online Public Schools
Solidifying Systemwide Leadership Capacity

Leading from the Middle:

This workshop series provides a learning space for systems leaders to lead for equity and innovation from the middle. They will practice using tools and frameworks to understand and navigate the demands of systems-level leadership and the reality of constant change. Additionally, they will practice effective project leadership and team development strategies through exploration of the following topics:

- The Pivotal Role of Central Office Leaders
- Doing Differently with Less
- Distributing Leadership: Breaking Down Silos
- Creating and Leading Agile Teams
- Managing the Leadership Pipeline
- Leadership Transitions: Managing Organizational Knowledge

Session Format	Cost
Six (6), 2-hour virtual sessions	$40,000/up to 20 people

Leadership Coaching:

WestEd will provide executive leaders with resources (i.e. current applicable research and planning support) as requested. The focus of the coaching will be based on the following:

- Self-identified needs of the leader receiving coaching
- The Comprehensive Assessment of Leadership for Learning (CALL) assessment provides feedback on the research-based leadership practices necessary to improve teaching and learning

Number of Sessions	Cost
Eight (8), 90-minute or Twelve (12), 60-minute coaching sessions, orientation + CALL Survey	$20,000/per leader (two leaders total)

Proposal for California Online Public Schools
Solidifying Systemwide Leadership Capacity

Total Project Cost:

Playbook for Leaders	$40,000
Leadership Retreat	$26,250
Leading From the Middle	$40,000
Total	**$146,250**

WestEd will provide all services in person and via video-conferencing, phone, and email.

Project Timeline:
July 2025 - June 2026

Payment Schedule:
This is a fixed-price contract.

- 50% shall be due on October 31, 2025
- 50% shall be due on June 30, 2026

After reviewing the proposal, if you decide the proposed scope and timeframe should be altered further, we would be happy to make modifications and provide a revised estimated fee. We appreciate the confidence you have in WestEd and look forward to working with the California Online Public Schools on this project. If you have any questions about the proposal, please contact Ayele Dodoo, Ed.D. at Adodoo@wested.org.

WestEd policies require adherence to the CDC and California Department of Public Health.

Payment Rules And Bill Definitions

Payment Application: We will apply payments received in the following order:

- Past due and audit premium on expired or cancelled policies
- Past due premium on active policies
- Past due fees, then
- Current account changes

Alternate payment instructions with your check will not be honored. When you provide a check as payment, you authorize us to either use the information from your check to make a one-time electronic transfer from your bank account or process your payment as a check transaction.

Audit: Your annual premium is based on the exposures provided to us at the start of your policy term as shown in your policy declarations page. After audit, the actual amount you owe may be different. This line shows the difference between your estimated premium and your actual premium. The amount shown may be an estimate if we didn't receive your response to our audit request.

Installment Fee: We charge this fee with each installment, except where prohibited by law.

Late Fee: You will be charged $35.00 when the minimum amount due isn't paid by the due date.

New Fees: The total of all fees assessed on the current bill.

NSF Fee: You will be charged $30.00 if your payment fails because of insufficient funds.

Policy Change (Endorsement): A change to your policy. Depending on what changes, you may end up owing more or less for your coverage.

Policy Credits: Some things, like audit results or endorsement changes, might put a credit back on your account. If your account has a balance, instead of issuing a refund, we use those credits toward your future payments. If your account has an overall credit balance, the refund will be issued to you using the same method you used to make your last payment (Electronic Funds Transfer, credit card or check).

State/Local Surcharges or Fees: Some states or municipalities require us to collect an extra amount on top of your premium.

HSA Payroll Funding Details of California Online Public Schools	
Account Name:	California Online Public Schools HSA Funding
Activity amount:	$20,992.72
Activity date:	02/25/2025

Your funding account will be debited for the amount listed above. This amount is reflective of deposits to your employees' HSA. You are receiving this notice as one of the following activities has taken place:

- A payroll contribution file has been imported into our system on your behalf

- Deposits have been successfully recorded using the contribution manager
- An account pending CIP has been successfully opened

For details about the specific account level activity, you can reference the HSA Payroll Reconciliation Report in the employer portal or you can go to the Contribution Manager to view your pending and successful payroll deposits. Due to timing, transaction details may not be available until tomorrow morning. In a future enhancement, account level detail will be available in a new invoicing screen to further help with record keeping and reconciliation.

If you have any questions regarding this email or its contents, please reach out to your Client Relations Executive.

Thank you for your partnership,

HSA Payroll Funding Details of California Online Public Schools	
Account Name:	California Online Public Schools HSA Funding
Activity amount:	$20,711.66
Activity date:	02/10/2025

Your funding account will be debited for the amount listed above. This amount is reflective of deposits to your employees' HSA. You are receiving this notice as one of the following activities has taken place:

- A payroll contribution file has been imported into our system on your behalf
- Deposits have been successfully recorded using the contribution manager
- An account pending CIP has been successfully opened

For details about the specific account level activity, you can reference the HSA Payroll Reconciliation Report in the employer portal or you can go to the Contribution Manager to view your pending and successful payroll deposits. Due to timing, transaction details may not be available until tomorrow morning. In a future enhancement, account level detail will be available in a new invoicing screen to further help with record keeping and reconciliation.

If you have any questions regarding this email or its contents, please reach out to your Client Relations Executive.

Thank you for your partnership,

Hi Chanel,

I hope you are having a wonderful holiday season! Danielle will be ready to report for the placement on 1/7/25. She had a planned day off for her daughter's birthday on 1/6/24. She noted 2 hours spent on the following items on her recent timecard on 12/18/24. Can we bill for this time?

Email from Danielle Vasquez 12/18/24 reporting 2 hours worked preparing for the upcoming CM placement- I am just asking because they added me to SEIS and started sending me tons of teacher emails and meeting invites.

Kind regards,
Tina

Title IX Policy - The Final Rule

California Online Public Schools

California Online Public Schools non-profit Board of Directors operates the following charter schools to which this policy applies:
California Online Public Schools Central Coast
California Online Public Schools Central Valley
California Online Public Schools Monterey Bay
California Online Public Schools North Bay
California Online Public Schools Northern California
California Online Public Schools Southern California

Approved by CalOPS Board of Directors September 22, 2020
Approved by CalOPS Board September 10, 2024
Approved by CalOPS Board of Directors

Title IX of the Education Amendments of 1972 protects people from discrimination based on sex in education programs or activities that receive federal funding. The U.S. Department of Education (USDOE) enforces Title IX and has created regulations relating to how schools are required to respond to reports of sexual harassment. The regulations are known as the *Final Rule*. The Title IX sex discrimination protections apply to California Online Public Schools (CalOPS) charter schools that do or may receive Federal financial assistance.

Under the *Final Rule*, CalOPS is required to promptly respond to and investigate every formal complaint of sex discrimination by a student including, but not limited to, sexual harassment. The *Final Rule* establishes an emphasis on restoring a student's access to the CalOPS's education program and/or sanctioned events and activities using supportive measures. Additionally, the *Final Rule* places the burden of proof on the school and requires a strict adherence to due process measures.

Definitions

Actual Knowledge

Notice of sexual harassment or allegations of sexual harassment to the Title IX Coordinator or any designated school official/employee with the authority to institute corrective measures. Under state law, school employees are mandatory reporters. In the K-12 environment any employee may receive notice of sexual harassment.

This standard is not met when the only person with actual knowledge is the respondent. Additionally, the ability or obligation to report sexual harassment or to inform a student how to make a report of sexual harassment, or having training on how to report sexual harassment does not qualify an individual to have the authority to institute corrective measures on behalf of the school.

Complainant

An individual who has alleged to be the victim of conduct that could constitute sexual harassment.

Formal Complaint

A document filed by the complainant or signed by the Title IX Coordinator alleging sexual harassment

against a respondent and requesting an investigation of the alleged sexual harassment. A complainant must be an active student participating or attempting to participate in the education program provided by CalOPS.

Respondent
An individual who has been reported to be the perpetrator of conduct that may constitute sexual harassment.

Sexual Harassment
Conduct on the basis of sex that satisfies one or more of the following:

- An employee of CalOPS conditioning the provision of an aid, benefit, or service of the school on an individual's participation in unwelcome sexual conduct (quid pro quo).
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and offensive that it effectively denies a person equal access to a CalOPS education program or sanctioned activity.
- "Sexual assault" as defined in 20 USC 1092(f)(6)(A)(v), "dating violence" as defined in 34 USC 12291(a)(11), "domestic violence" as defined in 34 USC 12291(a)(12), and "stalking" as defined in 34 USC 12291(a)(36).

Supportive Measures
Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, free of charge to the complainant or the respondent before or after the filing of a formal complaint, as well as, instances where no formal complaint has been filed.

Supportive measures are designed to restore or preserve equal access to CalOPS education programs and sanctioned events and activities. Such measures are designed to protect the safety of all parties, the education environment, and ultimately deter sexual harassment.

Supportive measures may include:

- Counseling
- Deadline extensions or other course related adjustments, including changes to class schedule
- Modification of class schedules
- Restricted contact between parties

Supportive measures provided to the complainant and/or respondent will remain confidential to the extent that confidentiality would not impair the ability of the school to provide such measures.

Effective implementation of supportive measures is the responsibility of the Title IX Coordinator.

Title IX Coordinator
The employee designated by CalOPS to coordinate its efforts to comply with Title IX responsibilities will be referred to as the Title IX Coordinator. In addition to students and current employees, the Title IX Coordinator's contact information must be provided to prospective employees, parents or legal guardians, and all unions (if applicable).

The name or title, office address, e-mail address, and telephone number of the Title IX Coordinator shall be prominently posted on the school's website.

Any person, including a student's parent or guardian, may report sex discrimination and sexual

harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), to the Title IX Coordinator in person, by mail, by telephone, or by email at any time, including non-business hours.

Formal Complaint

A formal complaint of sexual harassment should be filed with the Title IX Coordinator in person, by mail, by electronic mail, or by phone using the contact information provided below:

Current Designated Title IX Coordinator

The Board of Directors of CalOPS ("Board") has designated the following employee as the Title IX Coordinator ("Coordinator"):

Pam Ucan, Payroll & Benefits Administrator
c/o California Online Public Schools
33272 Valle Road
San Juan Capistrano, CA 92675
(800) 906-5166
pucan@californiaops.org

In the event the above-named individual becomes unavailable or unable to serve as the Coordinator, the Board has designated the following employee to serve as a temporary or interim Coordinator until a new Coordinator is designated:

Ryan Dreifus, Assistant Director of Human Resources
c/o California Online Public Schools
33272 Valle Road
San Juan Capistrano, CA 92675
(800) 906-5166
rdreifus@californiaops.org

Initial Response

The school must treat complainants and respondents equitably by offering supportive measures to a complainant and respondent. The grievance process outlined below is followed prior to imposing disciplinary sanctions or other actions outside supportive measures against a respondent.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures and consider the complainant's wishes with respect to the use of such supportive measures, inform the complainant of the availability of supportive measures regardless of filing a formal complaint, and explain the process for filing a complaint.

Anyone may report instances of sexual harassment or potential violations to the Title IX Coordinator; reports may be anonymous. However, formal complaints of sexual harassment can only be filed by the complainant or the Title IX Coordinator.

In instances where the respondent faces allegations of sexual harassment and is determined to be an immediate threat to the physical health or safety of a student or other individual, they may be removed upon completion of an individualized safety and risk assessment. If a student is removed under emergency conditions, instant notice will be provided, and the student will be afforded the opportunity to respond to the emergency removal.

An employee respondent may be placed on administrative leave during the grievance process.

Required Grievance Procedures

Formal Complaints

CalOPS is required to follow the grievance process defined by t*he Final Rule* before disciplinary measures, not to include supportive measures, against the respondent are made. The procedures include:

All parties will be treated equitably through the remediation process. Remedies under *The Final Rule* are designed to restore or preserve equal access to CalOPS's education program and sanctioned events and activities.

An objective and thorough investigation and evaluation of the relevant evidence will be reviewed. This includes both evidence that can establish guilt (inculpatory) and evidence that can exonerate guilt (exculpatory).

Title IX Coordinators, investigators, decision makers, and any designee tasked to assist in the informal resolution process must be free of bias or conflicts of interest. Additionally, training must be completed on:

- the definition of sexual harassment;
- the scope of CalOPS's education program or sanctioned events/activities;
- the process for investigation and grievance process including, hearings, appeals, and informal resolution processes;
- how to serve impartially, including by avoiding prejudgment of the facts at hand, conflicts of interest, and bias;
- any person identified as a decision maker must complete training on any technology used during any part of the grievance process, on issues of relevance of questions and evidence (including instances when questions and evidence arise that are not relevant regarding the complainant's sexual predisposition or previous sexual behaviors);
- any person identified as an investigator must complete training on issues of relevance to properly compose a report that summarizes the relevant evidence;
- all training materials must not rely on sex stereotypes and must promote objective investigations and final disciplinary decisions (adjudications) of formal complaints of sexual harassment.

A presumption the respondent is not responsible for the alleged conduct until the conclusion of the grievance process.

A reasonably prompt time frame for conclusion to the grievance process, filing and resolving appeals and informal resolutions processes, if offered. A temporary delay or the limited extension of time frames for good cause may be granted. In such instances, written notice outlining the reason for the delay shall be sent to all parties. Examples of good cause are the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or to provide an accommodation of disabilities.

There will be a range of disciplinary sanctions and remedies that may be issued in the event responsibility of the respondent is determined.

The standard of evidence used may be the preponderance of evidence standard **or** the clear and convincing standard. The chosen standard must be used throughout the complaint process.

Include the procedures and permissible bases for the complainant and respondent to appeal.

List the range of supportive measures available to complainants and respondents.

Disallow the use of questions or evidence that seek disclosure of information protected under a legally recognized privilege, unless waived by the party holding such privilege.

Notice

If a formal complaint is made, written notice will be provided to all known parties. Included within the notice are the grievance process and the informal resolution process. Any details known at the time of report of sexual harassment may include the identities of the parties involved (if known), the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident (if known). The notice will include a statement acknowledging the respondent is presumed not responsible until the conclusion of the grievance process. The parties may have an advisor who may inspect and review evidence. Such an advisor may be an attorney, though the presence of an attorney is not required. All parties will be afforded enough time to prepare. Finally, the notice will include that knowingly making false statements is against the student and employee code of conduct.

If, during an investigation, CalOPS decides to investigate allegations not included in the original notice, the school will provide subsequent notice to include the additional allegations to all known parties.

Dismissal

Under some circumstances, CalOPS must dismiss a formal complaint of sexual harassment.

If the conduct did not occur while participating in the school's education program or sanctioned events or activities or did not occur in the United States, the complaint will be dismissed.
However, the school may pursue action under the Code of Conduct Policy.

The school may dismiss the formal complaint or any allegations therein if:

- a complainant notifies the Title IX Coordinator in writing wishing to withdraw the formal complaint or any allegations therein,
- the respondent is no longer enrolled, registered, or employed by CalOPS, or
- specific circumstances prevent the school from gathering enough evidence to reach a determination regarding the formal complaint and/or allegations therein.

If conditions exist that require the school to dismiss the complaint, prompt written notice indicating a dismissal including any reason(s) must be sent to all parties.

Consolidation of Formal Complaints

Consolidation of formal complaints to allegations of sexual harassment may occur under the following conditions due to the same facts or circumstances:

- against more than one respondent
- by more than one complainant against one or more respondents
- by one party against the other party
-

Investigation

Under *The Final Rule*, the burden of proof and the burden of gathering evidence to make a determination as to responsibility of alleged sexual harassment falls to CalOPS. Voluntary written consent must be obtained to use a party's physician, psychiatrist, psychologist or other professional treatment records.

An equal opportunity to present witnesses and evidence will be provided to all parties. The ability of either party to discuss the allegations investigated or gather and present evidence may not be restricted.

All parties will be provided the same opportunities to have others present at any grievance proceeding. If either or both parties are joined by an advisor, including an attorney, at a proceeding, CalOPS may limit or restrict their participation as long as the restrictions apply equally to both parties.

Written notice of the date, time, location, participants and purpose of all hearings, investigative interviews, or any related meetings will be provided to all parties. Such notice shall permit enough preparation time for all parties.

Equal opportunity to inspect and review all evidence obtained as part of the investigation, that is directly related to the allegations raised in the formal complaint regardless of intent to rely upon said evidence in reaching the final determination, will be provided to all parties. Prior to completion of the investigative report, an itemized evidence list subject to review will be sent to all parties, including advisors/attorneys if applicable, in electronic format or hard copy. The parties will have ten (10) days to submit a written response. The response will be considered by the investigator prior to completing the investigative report. All evidence subject to inspection and review will be available at any hearing for reference and purposes of cross-examination.

Finally, an investigative report will be prepared to summarize the relevant evidence and sent in an electronic format or hard copy to all parties and their advisors/attorneys, if applicable. The report shall be sent to the relevant parties at least ten (10) days prior to a hearing to permit review and the opportunity to provide a written response.

Hearings

***The Final Rule* does not require hearings in the K-12 environment.**

After the investigative report has been sent to the parties, the designated decision maker shall provide each party the opportunity to submit relevant written questions to any party or witness, permit time for parties to respond, and subsequently allow for limited follow-up questions before the designated decision maker reaches a determination regarding responsibility.

It is an important distinction that questions and evidence relating to the complainant's sexual predisposition or prior sexual history are not considered relevant to the final determination.

The exceptions to this rule are if the pertinent information proves that someone other than the respondent committed the alleged sexual harassment, or if the evidence offered relates to specific incidents and prove consent between the complainant and respondent.

The decision maker shall explain to the party proposing the questions any decision to exclude a question as not relevant.

Determination

The decision maker may not be an investigator or the Title IX Coordinator.

The decision maker will issue a written determination with respect to responsibility. Under *The Final Rule*, the determination must include:

- A description of the allegations that potentially meet the definition of sexual harassment

- A full description of the procedural steps taken from receipt of the formal complaint through final determination (notices, interviews, site visits, evidence gathering methods, and hearings)
- Findings of fact supporting the final determination
- Conclusions as to the application of the school's code of conduct and the known facts
- A statement and rationale for:
    - Each allegation and determination of responsibility
    - Disciplinary sanctions imposed on the respondent, if any
    - If remedies designed to restore or preserve equal access to CalOPS's education program and/or sanctioned activities will be provided by the school to the complainant; any such remedies will be implemented by the Title IX Coordinator
- The school's allowable reasons and procedures for appeal (see Appeals section below)

The school shall issue written determination to all parties at the same time. The determination will be considered final when the time for filing a timely appeal has passed. If the allegations are appealed, the decision is considered final upon receipt of the final written determination.

Appeals

Both the complainant and respondent have the option to appeal under the following circumstances:

- A procedural irregularity that affected the outcome of the matter
- New evidence that could affect the outcome – not available prior to dismissal or determination
- Conflicts of interest or bias by the Title IX Coordinator, investigator(s), and/or decision maker(s)

The school may provide additional equitable circumstances as situations warrant. If a party wishes to appeal the determination, written notice will be provided to the other party that an appeal has been filed and provide procedures that apply to both parties. A new decision maker(s) will be appointed on appeal and such person will not have participated in the complaint prior to appeal, including investigators or the Title IX Coordinator.

Both parties will be permitted and equal opportunity to submit written statements supporting or opposing the outcome. A written decision will be provided to both parties at the same time and will indicate the result of the appeal and the rationale for the final determination.

Informal Resolution

Informal resolutions may be offered once a formal complaint is filed.

Parties are not required to participate in an informal resolution however, the school may offer this option instead of a full investigation and determination. The school will disclose information about the informal resolution process, including the right to withdraw from the informal resolution process prior to an agreed resolution. Once a party withdraws from the informal resolution process, the grievance process of the formal complaint will resume.

If both parties wish to proceed with an informal resolution, a voluntary written consent must be obtained waiving the right to an investigation and adjudication of a formal complaint. A common example of informal resolution is mediation.

The informal resolution process may not be used in instances where the school's employee is the respondent of alleged sexual harassment against a student.

Recordkeeping

The school shall maintain a complete record for seven (7) years relating to:

- All sexual harassment investigations, determinations regarding responsibility, disciplinary sanctions (respondent), and remedies (complainant); including audio/audiovisual recordings and/or transcripts
- Appeals and their result,
- Any informal resolutions and their result,
- Training materials used (posted publicly on the school's website), and
- Any actions, including supportive measures, in response to a formal complaint of sexual harassment.

The records shall provide a basis for the conclusion and show the response was not deliberately indifferent. Additionally, records should document the measures to restore or preserve equal access to CalOPS's education program or sanctioned events and activities. Further, records shall indicate the rationale for not providing the complainant with supportive measures, if applicable.

Retaliation

Retaliation is prohibited. Prohibited behavior includes intimidating, threatening, coercing, or discriminating against anyone for the purpose of interfering with the rights protected by *The Final Rule*.

Specifically, retaliation because an individual made a report or complaint, testified, assisted, or participated or refused to participate in a Title IX investigation, proceeding, or hearing. Retaliation against a student for code of conduct violations that arise from the same facts and circumstances as a report or complaint of sexual discrimination/harassment is also prohibited.

Speech protected by the First Amendment does not constitute retaliation.

The identity of parties and witnesses shall remain confidential except as permitted by FERPA or as required by law.

Any party that makes a false statement in bad faith may be charged with a code of conduct violation.

Employee Relocation and Hiring Policy

California Online Public Schools

Effective March 2025 pending board approval
Approved by CalOPS Board of Directors on [redacted]

Purpose

California Online Public Schools (CalOPS) is committed to maintaining a highly effective and collaborative remote workforce that prioritizes the needs of our students, staff, and school operations. This Employee Relocation Policy establishes guidelines regarding employee relocations to ensure alignment with operational needs and compliance with workers' compensation regulations. Any employee intending to relocate outside of the state of California will need to first get approval from their grade band Principal and Superintendent or the Superintendent's designee.

Prohibited Relocations

To maintain operational efficiency and comply with state workers' compensation requirements, employees of California Online Public Schools are not permitted to relocate to states with **monopolistic workers' compensation systems.** The following states have such systems and are therefore restricted for relocation:

- **North Dakota**
- **Ohio**
- **Wyoming**
- **Washington**
- **Unincorporated territories of the US**

Additionally, due to time zone considerations and the impact on collaboration, employee support, and student services, **employees are not permitted to relocate to times zones 3 or more hours different than the Pacific Standard Time.** This restriction is in place to ensure seamless coordination across all teams and maintain alignment with our students' academic schedules, as all students are based in the Pacific Time Zone.

Exceptions for Current Employees in the Monopolistic states and Eastern Time Zone

Employees who currently reside in monopolistic states and or the Eastern Time Zone as of the effective date of this policy may continue to live and work there. However, no new employees will be hired in the Eastern Time Zone or monopolistic states, and no existing employees will be allowed to relocate to this time zone or these states after the policy's effective date.

Superintendent Discretion

In cases where an employee presents a compelling reason for relocation outside of the approved areas,

the Superintendent, or designee of California Online Public Schools retains the discretion to override this policy on a case-by-case basis. Any exceptions must be approved in writing by the Superintendent, or designee and documented accordingly.

Preference for California-Based Hiring

California Online Public Schools will always make its best efforts to hire staff from within the state of California to align with our mission and to support the local educational workforce. However, this preference is subject to adjustment under Superintendent Discretion as outlined in Section 3, allowing for flexibility based on staffing needs and operational requirements.

Compliance and Enforcement

Failure to comply with this policy may result in disciplinary action, up to and including termination of employment. Employees who intend to relocate must inform Human Resources at least 90 days in advance to ensure compliance with this policy.

Policy Review

This policy will be reviewed periodically to assess its effectiveness and make necessary adjustments in response to operational needs and regulatory changes.

Access to Public Records

California Online Public Schools

California Online Public Schools non-profit Board of Directors operates the following charter schools to which this policy applies:
California Online Public Schools Central Coast
California Online Public Schools Central Valley
California Online Public Schools Monterey Bay
California Online Public Schools North Bay
California Online Public Schools Northern California
California Online Public Schools Southern California

Approved by CalOPS Board of Directors December 04, 2018

Purpose

The School abides by state and federal public records and open meetings laws, to the extent applicable, and makes every effort to provide access to public records as appropriate. The policy sets out the procedures to be followed in response to a request for public records from the School.

Policy

The business of the Board is discussed and decisions are made in accordance with the Open Meeting Law. The official minutes of the Board, its written policies, its financial records and all other public records, except for those which are confidential, privileged, subject to a right of privacy or otherwise exempt from disclosure, are open for inspection in the School's administrative office during the hours when the administrative office is open. However, if the records are not readily accessible or if portions of the records must be redacted in order to protect exempt material, the School shall determine the reasonable period of time, or as otherwise provided in the state law, needed to perform these functions and inform the requestor in writing of the date and time after which the records will be available for inspection. The release of school-wide information is coordinated by the School's Records Custodian. The School will comply with the state and federal laws, including the Family Educational Rights and Privacy Act, ("FERPA") and the School's Confidentiality Policy, in releasing records.

Procedure

On receipt of a record request, the School may ask but shall not require the identity of an individual requesting information and the reason the information is sought to be in writing by completing a Public Records Request Form. The School shall also inform the requestor that providing such information in writing enhances the School's ability to identify and locate the records requested.

Any individual who seeks to obtain or inspect a copy of a public record may request that the record be duplicated on paper, on the same medium on which the record is kept or any other medium that the School Records Custodian deems reasonable. Records in an electronic format shall be made available in electronic format upon request, consistent with applicable law. Where necessary to assist a member of the public in making a focused and effective request that reasonably describes an identifiable record or records, the School shall, to the extent reasonable under the circumstances, assist the member of the public in identifying records and information that are responsive to the request and the purpose of the request, if stated, and describe the information technology and physical location in which the records exist.

Individual student records and other confidential records protected by state or federal law may not be released for inspection unless such inspection is allowed pursuant to applicable law. In general, the School may not disclose personally identifiable information from student records without prior signed and dated written consent from a parent or eligible student. Student information deemed "directory information" pursuant to FERPA may be released without consent under certain circumstances. However, student directory information is only released pursuant to the School's administrative regulations governing release of such information and applicable law. Student directory information is not released when parents/guardians/students affirmatively withdraw in writing consent to release such information. Student records that consist of personally identifiable information generally are exempt from disclosure.

All records provided in response to a public records request will be made available in a reasonable period of time and within the maximum time periods allowed by law, inclusive of any extensions. Upon receiving a request for a copy of records, the School shall determine, whether the request in whole or in part seeks copies of disclosable public records in the possession of the agency and shall promptly and within the time permitted by law notify the person making of the request of the determination and the reasons therefore. If a public records request is denied in whole or in part, the School shall provide a written explanation with the legal authority for the denial of the request and the name and title or position of each person responsible for such determination, where required by law.

The School's Records Custodian may transmit the requested records by mail or by other means of delivery request, if the method requested is reasonably available. The School's Record Custodian may also make the records available for pick-up at the School's administrative office.

Where permitted by law, a fee may be charged for copies which may not exceed, except in the case of certain electronic records, the direct costs of duplication. Where required by law the school will maintain a list of the fees that it charges at each office where public records are provided and post at that office in a conspicuous place, a sign or notice that states: the fee charged to provide a copy of the public record; or, the location at which a list of each fee charged may be obtained. The direct cost of duplication does not include staff time spent researching, retrieving and mailing the record. The School may require that the fee for copies and/or delivery, if requested, be paid in advance.

The School's public records policy shall be posted in a conspicuous location in the School's administrative office and on the public website. The policy is distributed to the School's Records Custodian and receipt of the policy by the custodian is acknowledged. A copy of the records retention policy will be maintained and readily available to the public in the School's administrative office.

Record Retention

California Online Public Schools

California Online Public Schools non-profit Board of Directors operates the following charter schools to which this policy applies:
California Online Public Schools Central Coast
California Online Public Schools Central Valley
California Online Public Schools Monterey Bay
California Online Public Schools North Bay
California Online Public Schools Northern California
California Online Public Schools Southern California

Approved by CalOPS Board of Directors December 04, 2018

Purpose

The orderly acquisition, storage, and retention of school records are essential for the overall efficient and effective operation of the school. The Board adopts this policy to ensure that the School's records and documents are appropriately retained and only destroyed in accordance with appropriate legal retention periods.

Policy

School documents and records will be maintained and destroyed in accordance with a document retention schedule. The School's Records Custodian will ensure that the policy is followed and retention schedules are adhered to at the School. The Board shall maintain and destroy records according to the same policy as the School.

Procedure

All documents in possession of the Board are the property of the School and are not to be removed, destroyed, mutilated, transferred, or otherwise damaged or disposed of, in whole or in part, except as provided by law, or under the rules adopted by the Board.

Outgoing Board members must deliver any records in their possession to their successors and may not remove, transfer, or destroy any records to which they had access.

A retention schedule will be created to safeguard the various categories of School documents, which include but are not limited to, Board minutes and packages, personnel files, audit reports, student records, attendance records, and financial records. These will be added to this policy as they are developed. The Records Custodian shall maintain a copy of the School's record retention schedule and develop procedures to implement and monitor the policy. The Records Custodian will ensure that the School follows the policy and adheres to the retention schedules.

Additionally, the Records Custodian shall complete a records disposal form that provides notice as to when records are to be disposed of according to the pre-approved record retention schedule ("Certificate of Records Disposal Form").

A copy of each completed Certificate of Records Disposal Form shall be retained by the Records Custodian.

Approved by CalOPS Board of Directors December 04, 2018

Purpose

Active involvement and participation of Board members is essential for effective governance of the School. The Board cannot make any decisions or vote on any policy if a quorum is not present at each meeting. This policy promotes active involvement and participation by requiring regular attendance at Board meetings and providing procedures to deal with lapses in attendance.

Policy

Board members are expected to demonstrate their commitment to the School by regularly attending Board meetings, except when prevented by unforeseeable events.

Procedure

The Board shall adopt a regular meeting schedule at the annual meeting, or soon thereafter, to confirm the availability of Board members and provide notice to all Board members of the meetings for the year. This schedule may be amended during the year to change dates, times, days and/or hold additional special meetings.

A Board member who is unable to attend a Board Meeting must inform either the Board Chair or the Board designee for logistics of the intended absence.

Participation via teleconference is equivalent to attendance at a regular meeting as allowable by state law.

If the Board determines that the member has violated this policy, the Board shall take appropriate corrective action, which depending on the circumstances may include removal of a member from the Board.

Attendance Requirements

A Board member who is absent for three (3) consecutive Board meetings, without notifying the Chair or the Board designee for logistics as required, has violated this policy. A Board member who is absent for four (4) consecutive Board meetings, notwithstanding notification to the Chair or the Board designee for logistics has violated this policy.

Members of the Board shall be provided with a copy of this Policy and asked to commit to observing its terms.

Process

- The Board Chair shall monitor the attendance of each member and issue warnings as appropriate.
- The Board Chair shall consult with a member who has violated this policy to attempt to resolve the issue without removal of the member.
- If the Board Chair is unable to resolve the issue, and the Board member wishes to remain on the Board, the issue will be placed on the agenda for the next Board meeting. The Board member of concern may address the entire Board, and the Board will then decide what actions to take regarding that Board member's future membership on the Board.
- If the Board decides that removal of the member is appropriate, the remaining Board members will immediately begin the process to recruit a new Board member. A member who has been removed under this policy may be considered at a later date for appointment to the Board.

Approved by CalOPS Board of Directors December 04, 2018

The Board is committed to its role of promoting the mission of the School, overseeing the management of the School, and acting as guardian of the public trust by overseeing School finances. In order to achieve these goals, members of the Board must maintain the highest level of ethical conduct.

This policy establishes the standards of conduct the Board must meet in carrying out its responsibilities to the School and the public.

Policy

The Board is morally and legally obligated to manage the School in the best interests of the public and the School Community. The Board members must demonstrate professional ethical behavior at all times in their responsibilities to the School, in their professional relationships with each other, and in their professional service to the community, and will be required to adhere to this code of ethics.

Board members shall comply with all laws, including those pertaining to ethics, and shall faithfully promote the School's interests, maintain confidentiality of information, carry out their duties honestly, and adhere to the CalOPS Board Bylaws and all other policies related to Board Governance.

Procedure

At all times Board members shall observe the following specific procedures:

- Be diligent, attend Board meetings, and devote sufficient time for adequate Board meeting preparation.
- Maintain the confidentiality of private and or legally privileged information acquired as a result of Board membership.
- Attend Board governance training and conferences when possible to improve the member's ability to serve the Board.
- Meet regularly to monitor the performance of management and the School as a whole.
- Maintain the separation of duties and responsibilities between the Board and School leadership to promote accountable and balanced decision-making.
- Help ensure that the independent views of Board members receive due consideration and weight.
- Work to provide stakeholders with accurate and balanced information regarding the School's performance, including financial and academic measures.

- Conduct regular self-assessments to ensure each member is contributing optimally to the Board, and if the member's contribution is lacking, pursue either training or assistance to improve the member's performance or seek the member's resignation.
- Help protect the School's assets by considering risk management strategies.
- Ensure that financial and other personal interests do not conflict with the member's duty to the Board and the School.
- If the Board determines that the member has violated this policy, the Board shall take appropriate corrective action, which depending on the circumstances will include removal of a member from the Board.

Approved by CalOPS Board of Directors December 04, 2018

Purpose

The Board is committed to openness, transparency, and accountability. Its policies shall reflect its desire to balance the release of information while ensuring the protection of individual privacy, the effective management of the School, and compliance with relevant legislation. This policy is intended to regulate the release of confidential information by Board members.

Policy

Board members shall not be permitted to release any confidential material obtained in the course of their service as a Board member, unless such release is in accordance with the requirements of applicable legislation, and is consistent with the Board's policies on access to public records.

Procedures

The Board shall endeavor to explicitly mark on the document whether any or all of its minutes, disclosures, or papers, or those of its sub-committees (not otherwise required by legislation, regulation, or its rules to be made public) are confidential. However, the failure to mark a document as confidential shall not waive the status of such document as confidential, privileged or other otherwise exempt from disclosure. The Board may seek assistance from Board Counsel, as needed, to review requests for disclosure.

Board members shall be deemed school officials under the Family Educational Rights and Privacy Act (FERPA), however shall only have access to student records where there is a legitimate educational interest. Board members shall be subject to FERPA provisions and shall ensure they comply with FERPA provisions for any disclosures of student records to any third parties.

On those occasions and for those documents and discussions that the Board elects not to make public, Board members shall respect the confidentiality of those documents, and of any discussions of the Board on those matters.

Notwithstanding the above, Board members are not authorized to speak on behalf of the School unless the same has been authorized by a vote of the Board or specifically requested and or reviewed by the School leadership. A Board member in receipt of a request for a public document must refer such request

to the School Records Custodian for response in accordance with proper procedures.

In particular, Board members shall not

- disclose to any member of the public any confidential information acquired by virtue of their position as a Board member, such as minutes of closed sessions at which public access is not required by law;
- disclose any privileged attorney-client communications;
- use any confidential information acquired by virtue of their position on the Board for their personal financial or other benefit or for that of any other person;
- disclose to any member of the public any confidential information related to the interests of individuals, groups or organizations acquired by virtue of their position on the Board;
- make statements to the media in the name of the organization except after coordinating all such efforts with the School leadership;
- permit any unauthorized person to inspect or have access to any confidential documents or other information.

Failure to maintain confidentiality may constitute a breach of the Board member's fiduciary duties to the School.

The obligation to protect such confidential matters from disclosure continues even after the individual Board member is no longer serving on the Board.

Unless otherwise restricted or required by law, or contract, the Board shall decide from time to time whether any guests shall be permitted to attend any or all of its closed meetings. Where appropriate, guests who the Board believes are necessary for the Board's consideration of the item or items to be considered may be admitted, subject to their undertaking to maintain confidentiality.

Where appropriate and permissible by law, personally identifiable information about individuals may be redacted from material before consideration by the Board.

It is the responsibility of the Board Chair, with guidance from Board counsel, to ensure that Board materials are appropriately classified as confidential or open to release.

If the Board determines that the member has violated this policy, the Board shall take appropriate corrective action, which depending on the circumstances may include removal of a member from the Board.

Approved by CalOPS Board of Directors February 02, 2020

Purpose

The Board is committed to efficiency of processes and often has Board members designated on behalf of the Board to review and work with the School, prior to Board consideration and approval of regularly and annually approved items. Therefore, it is desirable for the Board to adopt a Board Delegation policy through which default Board designees are established ("Board Designee").

Policy

In addition to any responsibilities set out in the Bylaws, subject to the Open Meetings Laws, the Board shall delegate additional specific tasks to individuals correlated to the position they are serving in, specifically as an Officer or Parent Representative. This does not prevent other Board members from volunteering to assist on these tasks, however this policy provides for a Board Designee where one has not been allocated. Any specific motions approved by the Board for a Board Designee shall replace these automatic designations.

Procedure

At the appointment of an Officer position at the annual meeting, the Officer candidate will be advised of the tasks to be performed as Board Designee, as part of this policy. The Parent Representatives being appointed to the Board will also be informed of the tasks for which a Parent Representative would be a Board Designee. At the relevant time, the Board Designee will begin work on the matter and involve any other Board members who also desire to assist with the specific matter, subject to the Open Meeting Law.

President

- Charter related matters, including but not limited to, Charter renewal and amendments and related Charter matters on behalf of the Board.
- Renewals, amendments and other tasks related to the Professional Services Agreement on behalf of the Board.
- Reviews, finalizes and approves Executive Session/Closed Meeting Minutes, if required by law, or delegates another officer of the Board in writing to do so on behalf of the Board.
- Renewals, Amendments and other matters related to a Sponsor Agreement, if any.
- Board policy development.

- Member of the Recruitment Committee to recruit for additional or replacement Board members as the need may arise.
- Execute contracts of over five thousand ($5,000) dollars.
- Signer on Bank Account.
- Liaison with Principal/Chief Executive Officer and Board Counsel
- Provide approvals on behalf of the Board for summer staffing decisions.
- Complete, finalize and execute D&O Insurance Applications on behalf of the Board.
- Lease-related matters, including but not limited to, Lease negotiation, renewals, amendments, or any changes therewith on behalf of the Board.

Approved by CalOPS Board of Directors December 3, 2019

I. INTRODUCTION, PURPOSE AND BACKGROUND

California Online Public Schools ("CalOPS") is a California non-profit public benefit corporation. CalOPS is the governing agency for the California Online Public Schools ("Charter Organization"), which consists of the following six public charter schools:

California Online Public Schools Central Coast
California Online Public Schools Central Valley
California Online Public Schools Monterey Bay
California Online Public Schools North Bay
California Online Public Schools Northern California
California Online Public Schools Southern California

The Governing Board of CalOPS ("Board") abides by California's open meeting laws and makes every effort to provide access to public meetings as required by law. The purpose of this Open Meeting Policy ("Policy") is to set forth CalOPS's procedures with regard to its Board meetings that are conducted to discuss the Charter School Organization's business as required by the Ralph M. Brown Act ("Brown Act") and related California Education Code requirements.

II. TYPES OF MEETINGS, AGENDA REQUIREMENTS, AND SUPPORTING DOCUMENTS

A. Types of Meetings and Notice Requirements

All Board meetings must be properly noticed consistent with applicable law and this Policy. All regular and special meetings will be noticed by a posting of the agenda that advises the public of the meeting date, time, location, including any teleconference locations, if applicable, and a description of each item of business to be transacted or discussed by the Board at the meeting, including items to be discussed in closed session. Meeting notices will be provided, via email, to all Board members, designated staff members, the designated liaison from each authorizing district, and those persons or entities who have previously requested notice of such meetings consistent with this Policy.

The agenda will be posted in a location freely accessible to the members of the public and on the Charter Organization's website through a prominent, direct link. The locations for the physical posting will be the Charter Organization's administrative office locations as described below or other locations if required by law. It is the Superintendent's responsibility to provide copies of the agenda and supporting documentation for all meetings. However, this responsibility may be delegated to others.

The Board will hold the following meetings consistent with the following notice requirements:

- **Regular Meetings**: The Board will hold regular meetings and the calendar of regular meetings will be determined by an action of the Board at the annual meeting, typically held in June. The date of a regular meeting may be changed during the year by action of the Board at a publicly noticed meeting. The schedule of regular meetings will be posted on the Charter Organization's website. The meeting notice shall be provided through the posting of the meeting agenda at least 72 hours prior to a regular meeting.
- **Special Meetings**: The Board may hold special meetings, which may be called on an as-needed basis by the Board President or otherwise as allowed by the bylaws and consistent with legal requirements. The meeting notice shall be provided through the posting of the meeting agenda at least 24 hours prior to a special meeting. Meeting notice and agenda procedures related to regular meetings will apply to special meetings with the exception of the notice requirements.
- **Emergency Meetings**: The Board may hold emergency meetings when an emergency situation arises. Emergency meetings may be called by a Board majority when an emergency situation arises that requires prompt action by the Board due to the disruption or threatened disruption of public facilities in accordance with law. The Board is not required to comply with the 24 hour notice or posting requirements, except that the Board must notify any local newspaper and radio/television station that has requested notice of special meetings one hour prior to the emergency meeting. The notice shall be given by telephone and all telephone numbers provided in the most recent request of a newspaper or station for notification of special meetings shall be exhausted. Attempts will be made to notify Board members and designated staff via telephone as well. All special meeting requirements, with the exception of the 24 hour notice requirement, shall apply to emergency meetings.
- **Advisory or Standing Committee Meetings**: Advisory committee or standing committee meetings shall be considered regular meetings with regard to timing of notice. The meeting notice shall be provided through the posting of the meeting agenda at least 72 hours in advance of the meeting.

B. Agendas

The Superintendent or designee is responsible for preparing the agendas for all meetings of the Board. The meeting agendas will be posted and distributed to the public and Board members in accordance with the procedures listed above in this Policy and applicable law.

The agenda will include items that relate to CalOPS's business as they may relate to the Charter Organization and as requested for inclusion by Board members, or as determined by the Superintendent and other appropriate staff members to be appropriate or required for discussion at that meeting.

Each agenda shall include the following:

- Date, time, and location of the meeting, including, if applicable, any teleconferencing location(s).
- A brief general description of all items of business to be transacted or discussed at the meeting, including those items to be discussed in closed session. Closed session items must be described in accordance with Government Code section 54954.5.
- An opportunity for members of the public to directly address the Board in accordance with the Board's public comment portion of this Policy (addressed below).
- If teleconference locations are being utilized, an opportunity for members of the public to address

the Board directly at each teleconference location.
- Information regarding how, to whom, and when to request for a disability-related modification or accommodation, including auxiliary aids or services.

C. Supporting Information

The Superintendent or designee is responsible for preparing all supporting information that may accompany each agenda topic. The purpose of preparing supporting information is to facilitate decision-making on the part of the Board members by having available to them in advance of Board meetings comprehensive data and information pertaining to each agenda topic. The supporting information available at the time the agenda is distributed shall accompany the agenda and be delivered to the Board members concurrently with the agenda. Additional supporting materials may be distributed up to and even during a Board meeting.

If supporting materials are distributed to Board members during a public meeting, such materials will be made available for public inspection at the same time they are made available to the Board as required by law.

III. LOCATION OF MEETINGS

Of the counties served by the Charter Organization, the greatest number of students reside within the boundaries of Los Angeles County. However, the Charter Organization does not operate any facilities, resource centers, or school sites within the boundaries of Los Angeles County because all of its programs are non-classroom based and the students receive instruction solely online. Consistent with Government Code section 54954, the Organization will hold its meetings at either the closest meeting facility or at its principal office. The Board will hold its meetings at its principal administrative offices:

Southern California CalOPS Office
33272 Valle Rd.
San Juan Capistrano, CA 92675

Northern California CalOPS Office
580 N. Wilma Ave, Suite G
Ripon, CA 95366

Both administrative office locations will have two-way teleconferencing capabilities operating during all Board meetings and will be accessible to any person, including persons with disabilities, in compliance with the Americans with Disabilities Act.

In accordance with Section 54953 of the Brown Act, teleconferencing may be used to conduct the business of the Board. The Board will comply with the sections of the Brown Act regarding teleconference meetings, including conducting all votes of the Board by roll call. During the teleconference, at least a quorum of the members of the Board shall participate from locations within the jurisdiction of the Board, as described below.

Board meetings are typically held telephonically in accordance with the Brown Act. Board members and members of the public may attend Board meetings in-person at one of the two administrative office locations listed above, or telephonically from a telephonic location published on the agenda, if applicable. If Board meetings are held periodically at other locations in addition to the administrative office locations, Board members and members of the public may attend at those additional locations as well, which will be published on the agenda in accordance with the applicable law.

In the event that a Board member participates in a Board meeting telephonically at a location that is not listed above, the Board shall post all teleconference locations on the agenda. Each teleconference location shall be accessible to the public and any member of the public who would like to participate in the Board meeting at that location shall be permitted consistent with the law. The agenda shall provide an opportunity for members of the public to address the Board directly at each teleconference location.

IV. PARTICIPATION IN MEETINGS

A. Open and Closed Session Portions of Meetings

All regular, special, and emergency meetings of the Board shall be open to the public, except during times when the Board is discussing matters in closed session as authorized by law.

Prior to holding a closed session, the Board shall disclose, in an open meeting, the item(s) to be discussed in closed session as reported on the agenda. In the closed session, the Board may consider only those matters reported on the agenda as a closed session item. These items will be held in closed session and attended by Board members and other persons invited by the Board only. All other persons must leave the teleconference location and/or the room(s) where the closed session discussion is taking place.
Persons may be invited by the Board to the closed session discussion of a particular agenda item based on their work in the matter being discussed. These persons may include, but are not limited to, the CalOPS Superintendent, CalOPS Board Counsel, school staff, and service-provider staff (e.g., Partner School Leadership Team and Board Relations representatives) as may be needed and/or requested by the Board.

After any closed session, the Board shall reconvene in open session prior to adjournment and report out on any reportable action taken in closed session and the vote or abstention of every Board member present thereon in accordance with Government Code section 54957.1.

B. Quorum and Adjournment

A majority of the voting members of the Board shall constitute a quorum of the Board, which is necessary for the Board to transact business. All motions, in order to pass, need positive action by at least a majority of the Board present at the meeting. Should there be less than a majority of the Board present at any meeting, the meeting shall be adjourned once a determination has been made that a quorum is not possible.

Board members typically participate in Board meetings telephonically. During the teleconference, at least a quorum of the members of the Board shall participate from locations within the boundaries of the territory over which the Board exercises jurisdiction. The Board, through its Charter Organization, exercise jurisdiction throughout counties in California. A quorum can be established from any of the counties in California.

Items appearing on agendas for regular meeting may be continued to another meeting, to be held within five calendar days from the date of the originally posted meeting, without triggering the requirement that the agenda item be re-posted with the requisite notice.

If the Board is holding, has noticed or ordered a public hearing, at any meeting, the Board may, by order or notice, continue or re-continue to any subsequent meeting of the Board in the same manner and to the same extent that a meeting may be adjourned; provided, that if the public hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be conspicuously posted at the administrative office locations (in a posting location visible to the public at all times) immediately following the meeting at which the continuation was adopted or made.

The Board may adjourn any regular or special meeting to a time and place specified in an order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular meeting, the Board Secretary may declare the meeting adjourned to a stated time and place and he/she shall cause a written notice of adjournment to be given in the same manner as provided for special meetings unless the notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted at the administrative office locations (in a posting location

visible to the public at all times) within 24 hours after the time of adjournment. When a regular meeting is adjourned, the resulting adjourned regular meeting is a regular meeting for all purposes.
When an order of adjournment fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

C. Board Discussion and Action

For regular and special meetings, no action or discussion shall be on any item not properly noticed. At a regular meeting, however, Board members or staff may briefly respond to statements made or questions posed by persons during public comment. At regular meetings, a Board member may, on his/her own initiative or in response to a question posed by the public, ask a question for clarification, make a brief announcement or make a brief report on his/her own activities. Additionally, a Board member may provide a reference to staff or other resources for factual information, request staff to report back to the Board at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

In special meetings, the Board may not take action on the salaries, salary schedules, or compensation paid, including fringe benefits of the Superintendent of the Charter Organization. This limitation, however, does not apply to the Board calling a special meeting to discuss the Charter Organization's budget. Prior to taking final action, the Board shall orally report a summary of a recommendation for a final action on the salaries, salary schedules or compensation paid, including in the form of fringe benefits, of the organization's Superintendent during the open regular meeting in which the final action is to be taken.

The Board may take action on items of business not appearing on the posted agenda under any of the following conditions:

- A majority of the Board determines that an emergency situation exists as defined by Government Code section 54956.5.
- A determination by a two-thirds vote of the Board members present at the meeting, or if less than two-thirds are present, a unanimous vote of those Board members present, that there is a need to take immediate action and that the need for action came to the attention of the Board after the agenda was posted.
- The item was properly posted for a prior meeting occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting, the item was continued to the meeting at which action is being taken.

Prior to discussing any item not on the agenda and under one of the conditions listed above, the Board shall publicly identify the item.

D. Public Participation in Meetings

This Policy replaces and supersedes the Board's Public Comment Policy.

The Board welcomes public comment at its meetings and is committed to providing meaningful opportunities for members of the public to participate. Given the nature of the Charter Organization being virtual, the purpose of this portion of the Policy is to take into account the special logistics of the Board meetings and address telephone access.

The Board encourages members of the public to offer comments and express opinions on both specific actions to be taken by the Board, as well as any other issue directly related to the operation of the organization. In accordance with this portion of the Policy, any individual may address the Board on agenda or non-agenda items during the public comment period of a regular meeting. Individuals may present either in-person or by telephone.

Individuals are strongly encouraged to discuss their comments and concerns with appropriate school staff members, administrators, and/or Board members before directing such comments to the entire Board during a meeting. Each regular Board meeting agenda shall have a time designated on the agenda for "public comment."

To be recognized by the Board Chair, an individual should provide their name, along with any materials they want to have distributed to Board members, prior to the start of the meeting, and ideally 24 hours ahead of time. The Board Chair will then announce the individual's name at the appropriate time during the meeting. Each individual will be granted up to three (3) minutes to make his or her comments, or six (6) minutes if the individual requesting to comment is a non-English speaker and requires a translator. If requested, the Board Chair may grant additional time to individuals, circumstances permitting. After completion of any such comments, the Board Chair shall ask whether there is any further public comment, at which time any member of the public present may come forward and address the Board (which may be limited at the Board Chair's discretion to three (3) minutes, or six (6) minutes if the individual requires a translator).

Telephonic participants should be aware that there is no established time when it will be their turn to speak except that they will be called after the scheduled start of the meeting and before the Board considers the items the participant wishes to address. Individuals who are attending the meeting in person may be given the first preference in speaking.

In addition to the above, any Board member may ask a member of the public present to answer brief questions or make comments on an agenda item under discussion in order to gather information before deliberating on a decision.

Members of the public who require special accommodations should contact the Superintendent or the specific contact person designated on the agenda for that meeting, at least twenty four (24) hours prior to the meeting to make appropriate arrangements for attending the meeting.

V. MINUTES AND RECORDINGS OF MEETINGS

A. Meeting Minutes

The open session minutes shall record all actions and resolutions, the recommendations of the administration and a brief description of the substance of the Board's discussion or the substance of statements pertinent to Board's business made by members of the staff or public. The Board will not keep minutes of closed sessions, except a record of the topics discussed and any action taken will be included in the open session minutes of that meeting.

Any time an emergency meeting is held, the minutes must include: (1) a list of persons who the presiding officer of the Board, or designee of the Board, notified or attempted to be notify; (2) a copy of the roll call vote; (3) and any actions taken at the meeting. The minutes will be posted for a minimum of 10 days at the administrative office locations (in a posting location visible to the public at all times) as soon after the meeting as possible.

In the event that Board members are participating via teleconference, all votes during the meeting shall be by roll call and will be reflected in the minutes.

Draft minutes from prior meetings will be included in the supporting documentation for the meeting at which they are recommended for approval. Following approval, the minutes will be marked as "Approved" and will be kept digitally in a location accessible to Board members and to designated staff members.

B. Recordings of Meetings

The Board meetings, with the exception of closed sessions, will be audio and video recorded. The recordings will be posted on the Charter Organization's website as soon as possible following the Board meeting. The recordings will be placed in the same location on the website as the other information related to the Board (such as the meeting schedule and Board contact information).

Any audio or video recording of an open and public meeting made for whatever purpose by or at the direction of the Board may be erased or destroyed 30 days after the recording. Any inspection of an audio or video recording shall be provided without charge on equipment made available by the local agency.

Persons attending an open and public meeting of the Board shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera in the absence of a reasonable finding by the Board that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.
